Upholstery

use our Re-Upholstery service?

At Dental Solutions we are constantly looking for ways to save you money and expensive downtime. If your chairs need re-upholstery then you have come to the right place.

We have cores for most common chairs that we can use while your chairs are getting re-upholstered this means no downtime for most dental chairs.

It is often more cost-efficient to re-upholster your current chairs then to buy new ones.

We have custom upholstery services available for other equipment & stools.

Customer returns policy

Return authorization

Please call our office for a "Return Authorization Number" (RA). We will send our designated courier to pick up the item. Those preferring to consult their Sales Representative may do so, providing that the RA is provided before returning goods for credit and/or repairs. Returned items received by our Customer Returns Department without prior authorization may result in the returned item being denied for credit and/or repair.

Restocking fee

The restocking fee is 15% will apply on goods returned within 90 days. Please call for applicable restocking charges on goods returned after 90 days. Items partially used are not returnable unless the item is found defective.

Defective items

In the event an item is defective, please contact our office with the item and lot number. CDS will measure the severity of the defect, and the manufacturer notified. We may require the item to be returned for analysis.

Shipping

Please return the item in the original, unmarked, unopened package along with a copy of the original invoice. Returns shipped 'collect' will not be accepted. Items returned must be packaged in a corrugated box to avoid damage during shipping. Please mark the return authorization number (RA) on the copied invoice only. Liquid items should be packaged in a separate shipping container. Please call the office for any hazardous material shipping instructions.

Returns of goods used in the mouth

For your protection, any goods used in the mouth, including handpieces and equipment that have had the packing opened, may not be returned for credit. These items will be repaired or replaced in accordance with manufacturer warranties. If a handpiece or equipment is returned that falls out of the manufacturer's warranty period, an estimate will be provided for the repair.

Special order items

Special order items are not returnable. On an exception basis, they will be subject to a 25% restocking fee. These special order items are not regularly stocked in our distribution centre and have been specially ordered for you, and confirmed by our Sales Representative.

Failure to comply with one or all of these return policies will result in credit being denied.
